

Founded in 2018

COMPANY OVERVIEW

Divine Writing & Consulting Solutions (DWCS) is a strategic development consulting firm with a mission to help nonprofits reach their fullest potential by creating substantial professional growth & funding opportunities.

Our mission is to be of service to the community and help nonprofits reach their fullest potential. Our team serves as an all-in-one growth service, uplifting community-centered nonprofits with an integrated consulting approach. We believe every organization deserves a chance to expand its horizons and access unlimited opportunities. DWCS is committed to providing community organizations with adequate support to reach their development goals.

CORE COMPETENCIES

At DWCS, we provide nonprofit development services to organizations in need of an operational reset. Our bottom-up approach completely re-designs how institutions should function for long-term growth and sustainability.

OUR SERVICES INCLUDE:

- Grant Readiness
- Grant Writing

DIFFERENTIATORS

We use a strategic approach to help organizations meet their objectives. While some consultants take an ad hoc approach, we evaluate the organization from the bottom up and provide recommendations for how the institution should position itself to achieve the best possible outcomes.

Our development team has a collective experience of over 40 years and a proven track record of helping organizations strengthen their development efforts.
